

Application for Water Service

State of Alabama

County of Clarke

Date: _____

THIS application between Coffeerville Utilities, a public corporation organized and existing under and by virtue of the laws of the State of Alabama, hereinafter called the "Corporation", and the undersigned water user, hereinafter called the water "Water User".

NOW THEREFORE, in consideration of mutual covenants, promises, and agreements herein contained, it is hereby understood and agreed:

1. The Corporation shall furnish, subject to the limitation as provided in the By-laws, Service Rules and Regulation hereinafter provided for, such quality water as the Water user may desire in connection with his occupancy of property located in the Coffeerville Utilities Service Area.
2. The Water User shall install and maintain at his own expense a service line which shall begin at a point designated by the Corporation at his property line extended to dwelling and other portions of his premises.
3. The Water User's service line shall connect with the distribution system of the Corporation at the place designated by the Corporation has determined in advance that the Corporation's water system is of sufficient capacity to permit delivery of water to that point. Water User's plumber shall connect to meter coupling after proper authorization by Corporation. User shall install a proper cut-off valve on his side of the meter.
4. The Water User shall pay for such water at such rates, time, and places as shall be determined by the Corporation.
5. The Corporation shall purchase and install a curb stop and water meter and a meter coupling within a meter box compromising a service, provided use of water is immediately desired. Meter will be installed on the public right-of-way at or near the property line. At no time may the meter and computation equipment be fenced in or otherwise be made inaccessible to the Corporation. The Corporations shall have exclusive right to use cut-off valve and water meter and to turn it on and off or maintain and service its equipment.
6. The Corporation shall make the final determination in any question of location of an service line connection to its distribution system and shall determine the allocation of water to Water User in the event of a water shortage.
7. The Corporation may shut off the water of a Water User who allows a connection or extension to be made to his service line for the purpose of supplying water to another user. Intent being to serve one family or household per meter.
8. The failure of a Water User to pay water charges duly imposed shall result in the automatic imposition of the following penalties:
 - a. A \$5.00 or 10% (whichever greater) penalty shall automatically be added to all accounts not paid on or before the 15th of each month.
 - b. Nonpayment by the end of each m month will result in the water being shut off from the Water User's property.
9. In the event that it becomes necessary for the Corporation to shut off the water from a Water User's property for violation of the Rules and Regulations, a fee of \$50.00 will be charged for reconnection of the Service. A fee will be charged for any damage done intentionally to the meter or other equipment of the corporation.
10. The Town of Coffeerville Ordinance number 58 requires that all residences within 200 feet of the sewer line be hooked up to the sewer system. Coffeerville Utilities Board is required to enforce the mandatory sewer hookup. A copy of that ordinance can be furnished upon request.
11. In the event that a mobile home has an existing sewer system with the Coffeerville Utilities Board, and the existing mobile home is to be replaced by a new or different mobile home, and the customer desires to use the existing sewer system, then, in that event, the following conditions must be met by the customer:
 - a. The sewer must be gravity fed from the mobile home to the tank, and
 - b. The replacement mobile home must be located within 25 feet of where the original mobile home was located.

Otherwise, the customer must meet the requirements to do a new hookup to the system.

The foregoing notwithstanding, the Corporation reserves the right to make or amend the By-Laws or the Rules and Regulations of the System from time to time, and the Water User agrees to abide by such changes.

The User understands that a refundable security deposit will be collected upon connection for a service, which said deposit shall be applicable to any balance by the User to the Corporation for service rendered and not paid for.
